ETHICAL GIFTS + ACCESSORIES

[mä-ter boo-mē]

In Sanskrit, matr signifies ‘mother’ and boomie stands for ‘land’.
Together, Matr Boomie means motherland, the ground we walk on, the creative source.

Creating a world that is playful, compassionate, kind and connected.

To us, this is more than just business. We work diligently to provide a way to break the cycle of poverty in India and to enable our partner communities. We go beyond fair wages and actively invest in development projects, healthcare, and education. It is about changing lives and creating a more beautiful and kind world.

bone craft

Master artisans in North Central India collect bones from naturally deceased animals to create functional and decorative products. The process of collecting these bones keeps them from going into the landfill. No animal is hurt in this process. THE ART OF papier-mâché

Artisans soak used newspaper until it disintegrates, then mix it with cloth, rice or straw to form a pulp. The mixture is molded, dried, and cut into shape. Artisans coat the surface with glue paste, rub it smooth with baked clay, and paste on layers of tissue papers. The base color and motifs are all created freehand with non-toxic paints, then burnished and coated with lacquer.

handcrafted by master artisans

Purchases of Matr Boomie's exclusive products sustain jobs for people throughout India who have been handcrafting artisanal goods for generations. We partner with women's groups, minorities, people with special needs, urban slums and isolated rural communities to empower artisans through dignified, sustainable employment.

THE ART OF handmade paper

These paper products are made using 100% recycled textile industry waste. Artisans collect discarded cotton scraps, break them down into pulp which is then pressed into sheets, and hung to dry. A delicate process that only master artisans can execute after years of training. This tree-free & eco-friendly paper is then decorated with silk screen patterns.
