Everyday 2023

Meri Meri

The 2023 Everyday Party, Home & Play collection can only be described as ‘epic!’ Full of gigantic décor and wow-factor accessories, it’s an optimistic, colorful capsule inspired by our bestselling hero pieces over the years.

Decorations are bigger and more statement-making than ever, with huge honeycomb garlands and rainbow backdrops to create an instant party, alongside new luxury dress-up with our most magical dressing-up cape yet (it’s tulle-tastic!).

Mindfully Made

Here at Meri Meri, we are committed to doing our best when it comes to the environment. We use FSC® certified papers and wood wherever we can and our commercially compostable partyware is dyed with water-based ink and certified by the Biodegradable Product Institute.

We are constantly evaluating our products and are turning our attention to more durable materials; our reusable bamboo fiber mix partyware, fabric décor and wooden and paper garlands are designed to be used again and again.

Our knitted toys and baby accessories are made using organic cotton and our product team is phasing in new sustainable materials as they become available. We are always looking for ways to reduce packaging sizes to support our ethos of high-quality products that live on beyond the party.
